

PREPARING YOU  
FOR CAREERS OF  
TOMORROW

INSTITUTE OF LOGISTICS & AVIATION  
MANAGEMENT (INDIA)

# NEWSLETTER

SEPTEMBER 2019

02 EDITION

Let us introduce you to

**Squadron Leader  
Sanjay  
Chakravarthy**

who has joined us as the Advisor - Aviation. He is associated with Airport Authority of India, various helicopters companies and is also advising Government of India on the policy for drones. We are happy to have him with us as a part of our Institute & looking forward to work accordingly in making sure that we deliver the best to our students.

With our academically strong curriculum, unique industry partnership model and 360-degree teaching methodology, we at ICRI-ILAM ensure students get the real time industry exposure, helping them to attain practical insights of the industry. Internship enables one to get hands on experience enabling students to hone their skills to be job ready in "New Age Career" also helps the student to develop their own professional network.

Our Aviation Management batch students both BBA & MBA got an opportunity to go ahead with summer internship programs with different Airports of Airport Authority of India under the guidance of Squadron Leader Sanjay Chakraborty, Chief Test Pilot, Ministry of Civil Aviation, Government of India. Students were trained on various aspects of Aviation Industry; they were trained on topics described:

- Basic Aviation Operations
- Air Traffic Controller Procedures
- Airport Layout
- Aviation Safety & Security
- Airport Fire Services
- Aviation Meteorology
- Load Control
- Lost Baggage Procedure
- Check-in Procedures
- Cargo Handling

## SOME OF OUR STUDENTS SHARED THEIR EXPERIENCES

CHITRA GEHLOT BBA Aviation Management - ICRI-ILAM

I've not only expanded my knowledge from this internship, but also learnt how things are done at airport. I have learnt a lot of things (ATC, CNS, Terminal and other Departments) from the staff members. It was a remarkable experience for me that I will hopefully be able to use to develop my career in future. Now, I would like to thank captain Sanjay Sir, He is a very punctual, disciplined and cooperative leader. I liked the fact that he likes to learn more and more which helps him to acquire more knowledge in his field. We would not complete our internship or gain the knowledge so skillfully without him and I'm very much thankful to Mr. SK Singh (Airport Director) who have planned the best course of activity for us and also thanks to other staff members.

TANISHQ MISHRA

BBA Aviation Management - ICRI-ILAM

I went to Pantnagar Airport for my internship and it was a great opportunity as well a wonderful experience. We gained a lot of knowledge of different departments at the Airport. The staff there was very friendly, polite and they made sure that we learnt about airport management in detail. I am very grateful to all my mentors & ICRI-ILAM for providing us this opportunity and the immense knowledge I gained.

SHUBHANKAR DIXIT

BBA Aviation Management - ICRI-ILAM

Our internship was held at Pantnagar, Uttarakhand Airport, arranged by ICRI-ILAM, there we learnt about the areas like safety, Boarding and ATC. All the mentors at the airport were very helpful and polite. My overall experience was very good, and I am looking forward for many such opportunities.

AMAN SHARMA

BBA Aviation Management - ICRI-ILAM

15 days internship at Patnagar airport was my first experience and it was actually very good and properly managed. The staff and all the responsible people there were very friendly and polite. They helped us a lot in gaining knowledge. Overall it was an awesome experience and I am very thankful to ILAM-ICRI for this opportunity.

EKTA GOEL, BBA Aviation Management - ICRI-ILAM

I would like to take the opportunity to thank you for your guidance and supervision during my summer internship. My experience was very rewarding, and I have gained valuable insight into the aviation industry. I thoroughly enjoyed working with AAI staff and it was a pleasure being part of such a creative team. I'd also like to thank AAI staff and Air India staff. Working on many different projects enabled me to experience numerous aspects of aviation. As an intern I have learnt a lot and I only have a high feeling of gratitude towards my institute at the end.

AASISH LAL, BBA Aviation Management - ICRI-ILAM

I'd like to take a moment to thank you for hosting my internship. It has been a valuable experience for me, and I hope I will be able to provide some value to you as well. I am proud that I received this opportunity from the ICRI-ILAM and its management. I'd also like to thank the AAI and the Air India staff. Thank you for instilling a sense of confidence and responsibility in me during my internship. As an intern from team Pantnagar I have learnt a lot and all my other intern mates performed well too. We learnt many things with major heads as ATC procedures Aviation security, CNS, BBA/BMA procedure, functions of DCS and to perform aircraft point duty.
