TOMORROW

INSTITUTE OF LOGISTICS & AVIATION
MANAGEMENT (INDIA)

OUR VISION

To be an institution of global standing
for making job ready professionals in
industries of tomorrow

INTRODUCTION

ICRI with 15+ years of academic excellence stands out as a premium Institution with an aim to prepare students for "New Age Careers" in "Industries of tomorrow". We have been shaping new age careers since 2004. Since then 17000+ students have successfully graduated from ICRI. We are leaders in Clinical Research, Healthcare Management, Aviation Management, Logistics & Supply Chain Management, Competitive Exams & Design programs thus preparing students for Careers of Tomorrow.

We are well known for our academically strong curriculum and fantastic industry partnerships in order to ensure that our students are job -ready and preferred by industry. Our pan-India presence and association with leading industry partners and institutions in India along with industry-based curriculum with 360-degree teaching methodology makes students "Job ready" for "New Age Careers".

Workshops, guest lectures, and industry visits are integral parts of ICRI's curriculum and play a big role in helping students polish their skills and get a thorough knowledge of the professional world and its multiple facets. This helps students stay at par with the latest developments in their industry and get ready to face every challenge of the professional world. Our teachers are not just exceptionally talented as educators; they are also driven by the passion for providing their students with best-in-class insights and helping them develop an expertise in their respective fields.

A GLIMPSE OF TEACHERS DAY CELEBRATION AT OUR CAMPUSES – PAN INDIA

ICRI- ILAM has been there shaping careers since 2004. With our remarkable industry connections, one of the most important factors is "Our Faculty" members. ICRI's true strength lies in its faculty. The institute understands that teachers facilitate a student's development into a professional in a significant way, which is why every faculty member who becomes a part of ICRI goes through a stringent selection process, making sure that the students are taught by the very best. The faculty at ICRI consists of top-notch members who are not only excellent teachers, but also have extensive industry experience. They are directly from the industry having rich experience in their relative areas. Our teachers are supportive and responsible for overall development of students.

Teachers day was celebrated at our campuses – pan India on 5th September 2019. Very well prepared and managed, the celebration started with "Cake Cutting" Ceremony followed by appraising the teachers. The celebration went well following some dance & singing performances.

ORIENTATION 2019

College is an important part of our lives and it is inseparable from our life. It a platform where we come closer to achieve our "DREAM". We welcomed our new batch at our Delhi Campus on 22nd August 2019. The new students were welcomed by our old batch students. The ceremony started with Introduction / Presentation of Plants (Memento) to Guest (by Staff). The next series of event imparted information about ICRI-ILAM, by Dr. Seema Mishra -Registrar cum Academic Head of ICRI.

Students were informed about rules and regulations about the college and what they are expected to follow. As we are the industry leaders for Clinical Research, Healthcare, Aviation, Logistics Management, Dr. Seema as the next step introduced our Guest Dr. Bhurani (leading Haematologist at Rajiv Gandhi Cancer Hospital) she addressed students on Career, growth opportunities and job prospects of Clinical Research and Healthcare. We also had Aviation Expert Dr. Diwakar Goel (Retd. Executive Director AAI) with us who addressed students about Career, Growth Opportunities and various job roles of Aviation sector. Our Expertise faculty members, top-notch members who are not only excellent teachers, but also have extensive industry experience, also introduced themselves. As a part of the endeavour, this program came to an end with a new journey for our students which will prepare them for challenges and hone their skills.
